# Machine Operatives

**Description**
T&K Associates are currently recruiting on behalf of our Client located near **Barwell** for a **Machine Operatives** to join their growing team on a **Temporary to Permanent** basis.

You will be required to work a rotating shift pattern consisting of days, afternoons and nights.

This is an excellent opportunity to join one of the UK's leading manufacturers within their industry. With a brand-new facility, this is a fantastic chance to become part of a growing team and develop your skills within a well-established business.

**Job Benefits**

- Extra overtime opportunities available paid at 1.5 per hour – Meaning further earnings!
- Weekly pay
- Opportunities to train and progress
- 29 days holiday per year when permanent
- No bank holiday working
- Workwear/PPE provided + free laundry service
- Company pension scheme
- Referral scheme
- Permanent role after 12 weeks
- Excellent subsidised canteen facility offering hot food
- Free parking

**Responsibilities**

- Operating machines
- Checking the product is as per specification
- Monitor production line and carry out basic testing and quality checks
- Clean and maintain work areas
- Other duties as required by management
- Driving a counterbalance FLT (if the candidate has a license)

**Person Specification/Qualifications**

- Previous Forklift driving experience is desirable but not essential
- Ability to work well as a team
- Good understanding of H&S
- Happy to stand for the duration of your shift & complete repetitive duties
- Own transport required due to location

**Contacts**
